Announcement and Call for Papers

12th EUROPEAN LS-DYNA CONFERENCE

14 - 16 May 2019 ■ Koblenz, Germany

Extended deadline
to submit abstracts:
18 February 2019

Call for papers

We kindly invite all users of LS-DYNA, LS-OPT, LS-PrePost and LS-TaSC to take advantage of this fantastic opportunity to showcase their work.

The Conference is your chance to talk with industry experts, catch up with colleagues and enjoy time exploring new ideas.

Make sure that you will be part of the conference by submitting your abstract!

The conference

Attending

Come and listen to presentations from LS-DYNA developers, industry users and academia to learn more about the software and its applications.

Exhibiting and sponsoring

We encourage hardware and software suppliers, consultancies and those offering LS-DYNA related services to exhibit or sponsor the conference.

Training

Training courses will take place in the week before, during and after the conference.

Venue

The Upper Middle Rhine Valley is one of the largest and oldest cultural landscapes in Europe and is the epitome of Rhine Romanticism. UNESCO acknowledged the wide variety and beauty of the Middle Rhine by making it a world heritage site in 2002.

The number of castles, palaces and fortresses is also remarkable: Around 40 such buildings between Koblenz and Bingen can be visited. This area is also well known for its wine.

Koblenz can be reached easily via Frankfurt International Airport.
