

SPEAKER AGREEMENT

By signing this Speaker Agreement (“Agreement”), which is between you and ANSYS, Inc. and its affiliates (“Ansys”) with respect to your participation as a speaker at Ansys Transportation Summit and International LS-DYNA User Conference (“event”), you agree to the following:

You authorize Ansys to photograph and make audio and/or video recordings of you and your presentation at the event, and you agree that your name, image, likeness, and voice as well as the content, text, information, visual elements, audio elements, and other materials included in the presentation and the photographs and recordings thereof, including any names and logos (collectively, “Materials”), may be used by Ansys for any purpose consistent with this Agreement.

You hereby grant to Ansys a non-exclusive, sublicensable, worldwide, irrevocable, perpetual and royalty-free license to reproduce, display, publish, distribute, communicate to the public, use, adapt, translate, modify and make derivatives of the Materials, in whole or in part, for any purpose in any medium and form.

You represent and warrant that you have all rights necessary to grant the above license, the Materials do not infringe the rights of any third party, and Ansys’ use of the Materials as permitted by this Agreement will not violate any applicable law, and that the Materials are not subject to any export control law.

You hereby release Ansys from any and all liability arising out of Ansys’ use of the Materials in accordance with this Agreement. You shall fully indemnify, defend, and hold harmless Ansys against claims, actions, losses, damages, and expenses arising out of or in connection any third-party claim or allegation which, if true, would be a breach of your representations and warranties set forth in this Agreement.

This Agreement is the complete agreement between the parties on this subject matter and supersedes all previous oral or written understandings related to the subject matter and is governed by the laws of Pennsylvania without regard to conflicts of laws principles. The parties are independent contractors, and nothing herein forms an employer-employee, agent, or partner relationship between the parties.
